Parking Permission Request

The Whitmore Lake Fireworks Committee is requesting approval to use the North Village/Community Park. The park will be used for handicapped and regular parking during the 2018 Fourth of July fireworks. We are also requesting the use of the waterfront property across the street for viewing of the fireworks.

The Whitmore Lake Fireworks Committee requires written permission. Should you be willing to allow use of the park for the community fireworks, please sign the enclosed letter copy and return it in the envelope provided. As a condition of use, we promise to clear any debris from festivities the day following the fireworks. Questions should be directed to Dennis Cazan 734-368-1668 or [dennis.cazan@yahoo.com](mailto:dennis.cazan@yahoo.com).
